About the workshop:

StarTime Drama is a fun and accessible way for kids to build their confidence and learn the skills to express themselves in the context of a dramatic play, film, storytelling or public speaking. Each class is a carefully balanced mix of fun, confidence building drama games and skills developing exercises as outlined below.

Aim: to produce a series of short, self devised plays to perform for family and friends at the end of term.

- ★ Learn how to narrate a story and engage the audience
- ★ Learn different ways to tell a story
- ★ Develop the dramatic tension in a story: ie: "What happens next?!"
- ★ Realise your own characters with voice, body, costume and props
- ★ Learn how to listen on stage and focus the action
- ★ Learn how to rehearse and build to performance level
- ★ Perform your own plays in front of an audience
